

## Hydrogen Workshop for APEC Economies

*Focus on the Eastern Hemisphere*  
May 16, 2005

Sheraton Waikiki  
Honolulu, Hawaii, USA

You are invited to attend the Partnership for Advancing the Transition to Hydrogen's (PATH) *Hydrogen Workshop for APEC Economies*. The Workshop will address codes and standards and demonstration projects pertaining to hydrogen and fuel cells in Asian Pacific Economic Cooperation (APEC) economies located in the Eastern Hemisphere.

This workshop will provide input to update and expand *The Sourcebook for Hydrogen Applications*, which will include a comprehensive resource for hydrogen codes and standards and demonstrations in APEC economies.

---
