EWG 64 Meeting

- Host Economy: Malaysia (Virtual)
- Meeting date: November 1-3, 2022

EGNRET Chair attended the EWG meeting to report EGNRET meeting results and updates.

Key Conclusion

- The EWG selected Ms. Ari BenAissa as the Lead Shepherd for 2023-2024. The decision will become official if no absent economies object by November 9, 2022.
- The United States announced it will host an Energy Ministers Meeting in Seattle, Washington in August 2023 during SOM3, specific dates TBA.
- EWG members discussed various approaches to setting the schedule for EWG hosts beginning in 2024, when the current schedule concludes. Most economies supported at least one EWG meeting to coincide with the SOM schedule per year, but no definitive decision was made.
- The United States will host EWG 65 in person in Detroit, Michigan, in May 2023, specific dates TBA.

EWG Small Group Meeting

Renewable Energy Goal

Doubling the renewable energy share in the APEC energy mix by 2030 (relative to 2010).

Energy Intensity Goal

An energy intensity improvement of 45% by 2035 (relative to 2005)

- The EWG Small Group aims to explore the potential new APEC energy-related goal(s).
- Members' views from each of the four energy-related categories, namely (1) Timeframe, (2) Energy Efficiency-related Goals, (3) Renewable Energy-related Goals, and (4) Energy-related Emission Goals
- EGNRET Chair and Secretariat attended the 3rd EWG Small Group Meeting on 22 Oct 2022.

Fora Collaboration

APSEC Workshop

- Support Offshore Wind Deployment and Grid Connection in APEC Region

APEC Workshop

- Best Practice on the Energy Storage System in E-scooters Developments and Applications in the APEC Region
- Empowering Indigenous Social Awareness on Renewable Energy and Increasing Inclusion Sustainability for Green Energy Applications in APEC Regions

EGEEC 60 Meeting

- 15th - 16th March 2023 in Hong Kong, China (Hybrid Meeting)
