A screenshot of the EGNRET website homepage. The header is blue with the APEC logo and the text 'APEC Energy Working Group' and 'EXPERT GROUP ON NEW AND RENEWABLE ENERGY TECHNOLOGIES'. A navigation menu includes 'Home', 'Representatives', 'Projects', 'Meetings', 'Workshops', 'Reports', 'Publications', and 'Reference'. The main content area has a dark background with the word 'WELCOME' in large, semi-transparent letters. Below it, a welcome message states: 'Welcome to the official website of the APEC Expert Group on New and Renewable Energy Technologies (EGNRET)'. Further down, it says: 'The EGNRET has been established by - and reports - to the APEC Energy Working Group (EWG)' and 'The mission of the EGNRET is to facilitate an increase in the use of new and renewable energy technologies in the APEC region'. To the right of this text is a large image of a sunset over a field. Below the main text are three smaller images: a splash of water, wind turbines, and a combine harvester. Each image has a corresponding label: 'News', 'Meetings', and 'Contacts'. At the bottom, there is a copyright notice: 'Copyright APEC 2009. All Rights Reserved.
