

ASIA PACIFIC ECONOMIC COOPERATION (APEC)  
NEW AND RENEWABLE ENERGY TECHNOLOGIES  
EXPERT GROUP MEETING

THIRTY-FIFTH MEETING

12-15 October 2010

Tokyo, Japan

**Tuesday, 12, October**

Associated workshop: *Addressing Grid-interconnection Issues in Order to Maximize the Utilization of New and Renewable Energy Resources*

**Wednesday, 13 October**

8:30-9:00	Registration	
09:00-09:15	Official Welcome	Japan
09:15-9:30	Program Overview	Chair
09:30-10:30	Overview of Renewable Energy in Japan	Japan
10:30-11:00	Coffee Break	
11:00-11:30	Recent APEC activities 9 <sup>th</sup> Energy Ministerial Meeting	Chair
11:30-12:00	Overview of APERC activities	APERC
12:00-13:30	Lunch	
13:30-14:00	Low-Carbon Model Town (LCMT) Task Force Overview	Japan
13:30-15:30	Member Economy Presentations: Current low-carbon town activities in APEC member economies	
15:30-16:00	Coffee Break	
16:00-17:00	Member Economy Presentations (Cont'd)	

**Thursday, 14 October**

9:00-10:00	Member Economy Presentations (Cont'd)	
------------	---------------------------------------	--

10:00-10:30 Progress/Status of current EGNRET Projects

- Addressing Grid Interconnection Issues in Order to Maximize the Utilization of New and Renewable Energy Sources (EWG 02/2009) Japan
- Using Smart Grids to Enhance Use of Energy Efficiency and Renewable Energy Technologies (EWG 01/2009S) USA

10:30-11:00 Coffee Break

11:00-11:30 Overview of changes in APEC project proposal process Chair

11:30-12:00 Initial discussion of projects proposals for 2011 Chair

12:00-13:30 Lunch

13:30-15:00 Development of project proposal for 2011 funding Chair

15:00-15:30 Coffee Break

15:30:16:00 Potential joint activities Chair  
Joint meeting with EGEE&C  
Biofuels Task Force  
Low-Carbon Town Task Force

16:00-16:30 EGNRET elections Chair

16:30-17:00 EGNRET Administration & Operations Chair

- Next Expert Group Meeting
- Other Business

17:00 Adjourn

**Friday 15 October 2010, Site tour**
