## WELCOME

Welcome to the APEC Expert Group on New and Renewable Energy Technologies (EGNRET)

A photograph showing rows of solar panels in the foreground and several wind turbines in the background under a clear sky.

The EGNRET has been established by-and reports - to the APEC Energy Working Group(EWG)

The mission of the EGNRET is to facilitate an increase in the use of new and renewable energy technologies in the APEC region

### NEWS

A close-up photograph of a wind turbine's blades against a blue sky.

### PROJECTS

A photograph of a sunflower in the foreground, with a solar panel and a wind turbine visible in the background.

### MEETINGS

A photograph of a group of people sitting in a conference room, facing a screen.
