**Project application process**

**Step 1: Project Development with EWG Review (optional)**

- **PO drafts CN in consultation with proposing Economy’s APEC Forum representative**
- **Proposing Economy Forum Representative can contact other economies’ Fora representatives seeking project inputs and possible co-sponsorship**

The proposing Economy Fora Representative submits project CN to EG/TF and APEC Secretariats by the optional **EWG Project Review Deadline** which is no later than **4 weeks** before EWG meeting.

Or Proposing Economy Fora Representative forwards CN to APEC Secretariat by the optional **EWG Project Review Deadline** with justification for not going through EWG EG/TF.

**Project Refinement through EWG, EGs/TFs**

- **EG/TF members review CNs and provide feedback to PO and Proposing Economy Fora Representatives.** PO resubmits revised CN to EG/TF Chairs and Secretariat.
- **EG/TF Chair forwards latest CN version to APEC Secretariat no later than **2 weeks** before EWG meeting.**

-APEC Secretariat circulates all CNs received from the EG/TF chairs **2 weeks** before EWG meeting with co-sponsorship Declaration Form.
- CNs are discussed at EWG meeting. Proposing Economy EWG Representative communicates EWG feedback to PO.
Step 2: Formal Submission, Co-Sponsorship *(mandatory)*

PO can choose to go straight to this step!

PO finalises CN and Proposing Economy Fora Representative submits Final CN to APEC Secretariat by the **APEC Internal Deadline**.

Originating Fora Representatives submit Co-sponsorship Declaration Form to APEC Secretariat by the **APEC Internal Deadline**.

Step 3: EWG and EELCM Sub-Fund project Endorsement, Eligibility Assessment and Scoring

APEC Secretariat reviews final CNs received for compliance. APEC Secretariat circulates to EWG members all CNs eligible for applying EELCM Sub-Fund.

EWG members make endorsement for all CNs, and score all CNs eligible for applying EELCM Sub-Fund.

APEC Secretariat informs PO and originating APEC Fora members of BMC "approval in-principle" outcome for CNs.
Recent EWG decision on Project Management

• Expert groups and task forces are requested to assist POs with familiarizing with APEC project procedures and to provide POs with technical advices for the sake of project quality.

• Members/EG Chairs are requested to present in the EWG meeting a 2 page summary of each EWG project completed since the last EWG meeting, including policy recommendations/suggestions for further APEC consideration or action.

• All projects should closely follow the rules of submission including the co-sponsorship and deadline.
Outreach within and beyond APEC

- All projects are encouraged to provide high-level policy recommendations upon completion and seek greater visibility.
- Expert groups are requested to be supportive in providing detailed and sound information to demonstrate work achievements which are to be submitted to APEC senior officials, such as fora report or other surveys.
- Expert groups are encouraged to conduct cross-fora cooperation and should report to EWG for endorsement.
