**November 11, 2020**

■ **Proposing Economy:** Chinese Taipei

■ **Project Number:** 2019 EWG 02

■ **Project Status:** On-going Project

## ■ **Background**

- In 2014, APEC Leaders agreed to double the share of renewable energy in the overall energy mix by 2030 to achieve sustainable and resilient energy development within the APEC region.

## ■ **Project Objectives**

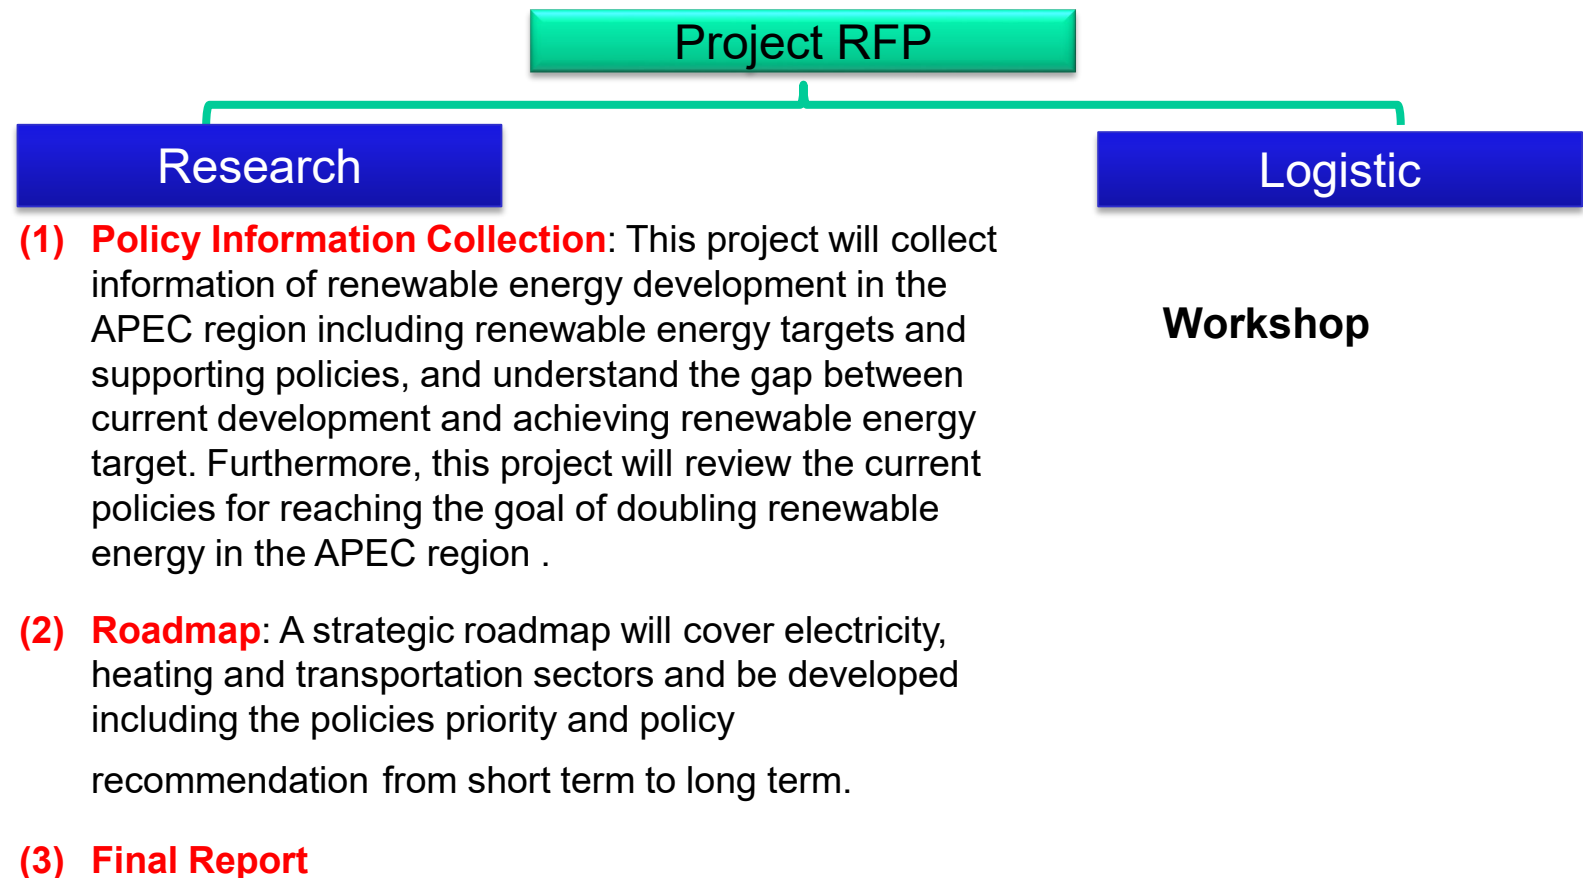

- 1) Developing a **practical pathway** towards achieving doubling renewable energy goal and **the priority** for the policy recommendations which developed in the Phase 1 of this project;
- 2) Conducting one **APEC workshop**, which will engage renewable energy experts and APEC Economies to review challenges and recommendations and make consensus on priority for policy recommendation;
- 3) Publishing a **final report** covering **research findings**, a **work program** of priority for policy recommendation for APEC renewable energy development. These outputs will increase **knowledge** of renewable energy development and **reaching** the **goal** of doubling renewable energy in the APEC region.
