# Renewable Energy Initiatives

- ✓ Feed-in Tariff and RE Certificate
- ✓ Installing RE Systems in Government Venues
- ✓ Solar Harvest for Non-government Schools and Non-governmental Organisations
- ✓ Waste-to-energy Infrastructures

# Green Tech Fund

Promote research on decarbonisation and green technologies and their applications

Allocate HK\$ 200 million (about US\$25 million)

Expedite low-carbon transformation and enhance environmental protection in Hong Kong

Priority Themes :

- Decarbonisation and energy saving
  - - Green transport
  - - Waste management
  - - Air and water quality

# THANK You
